INDEPENDENT AUDITORS' REPORT

**To the Vestry of:
The Churchwardens of St. Mary's Anglican Church, Richmond Hill**

Qualified Opinion

We have audited the financial statements of The Churchwardens of St. Mary's Anglican Church, Richmond Hill, which comprise the statement of fund balances as at December 31, 2019, and the statements of operations, changes in fund balances cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying financial statements present fairly, in all material respects the financial position of The Churchwardens of St. Mary's Anglican Church, Richmond Hill as at December 31, 2019, and its results of operations and its cash flows for the year then ended in accordance with Canadian Accounting Standards for Not-for-profit Organizations (ASNPO).

Basis for Qualified Opinion

In common with many charitable organizations, The Churchwardens of St. Mary's Anglican Church, Richmond Hill derives revenue from the general public in the form of donations and fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of The Churchwardens of St. Mary's Anglican Church, Richmond Hill. Therefore, we were unable to determine whether any adjustments might be necessary to donations revenue, excess of revenues over expenses, and cash flows from operations for the years ended December 31, 2019 and December 31, 2018, current assets and net assets as at December 31, 2019 and December 31, 2018. Our audit opinion on the financial statements for the year ended December 31, 2018 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of The Churchwardens of St. Mary's Anglican Church, Richmond Hill in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing The Churchwardens of St. Mary's Anglican Church, Richmond Hill's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate The Churchwardens of St. Mary's Anglican Church, Richmond Hill or to cease operations, or has no realistic alternative but to do so.

INDEPENDENT AUDITORS' REPORT (Continued)

Those charged with governance are responsible for overseeing The Churchwardens of St. Mary's Anglican Church, Richmond Hill's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our qualified opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Churchwardens of St. Mary's Anglican Church, Richmond Hill's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on The Churchwardens of St. Mary's Anglican Church, Richmond Hill's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause The Churchwardens of St. Mary's Anglican Church, Richmond Hill to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

INDEPENDENT AUDITORS' REPORT
(Continued)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019

Status and purpose of the Organization

The Churchwardens of St. Mary's Anglican Church, Richmond Hill is a registered charity exempt from income taxes under Section 149(1)(f) of the *Income Tax Act*.

The objectives of the Church, as set out in The Mission Statement of The Diocese Toronto, are:

"To worship God and proclaim Jesus Christ in the power of the Holy Spirit and to embody - in word and action - God's reconciling love, justice, compassion and resurrection - through which knowledge of God's reign is extended."

In accordance with its objectives, the Church provided services of worship and religious instruction, and provided spiritual and social services during the year.

1. Summary of significant accounting policies

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CPA Canada Handbook and include the following significant accounting policies:

a) Fund Accounting

In order to ensure observance of the limitations and restrictions placed on the use of resources available to the Churchwardens of St Mary's Anglican Church, Richmond Hill ("the Church"), the accounts are maintained in accordance with the principles of fund accounting. Accordingly, resources are classified for accounting and reporting purposes into funds. These funds are held in accordance with the objectives specified by the donors or in accordance with directives issued by the churchwardens. For financial reporting purposes the accounts have been classified into the following funds:

- (i) Operating Fund accounts for the Church's general operations. These funds may be used for any purposes that are consistent with the objectives of the Church.
- (ii) Heritage Fund accounts for the Church's use of general bequests, inter-vivos gifts, capital gifts and proceeds from life insurance policies. This money is invested at the Warden's discretion at a bank or trust company in Richmond Hill. The object and purpose of the fund is to repair and renovate parish buildings and to perpetuate the Parish and its mission in the Town of Richmond Hill and outreach mission beyond so long as said Parish exists as a viable and on-going one.
- (iii) Other Funds account for specific gifts from donors which can be used only for the purposes specified by those donors. These funds include:

- Outreach
- Faithworks
- Capital project
- Rectory repairs
- Green team
- Food bank
- Adopt a family

1. Summary of significant accounting policies (continued)

b) Revenue Recognition

(i) Donations and Bequests

The Church follows the restricted fund method whereby externally restricted donations and bequests are recognized in the fund corresponding to the purpose for which they were contributed. Unrestricted contributions are recognized as revenues in the operating fund. Donations and bequests are recognized when received.

(ii) Contributions from St. Mary's Anglican Church Women (ACW)

Contributions from St. Mary's ACW are recognized as revenue of the operating fund when received, unless otherwise specified by St. Mary's ACW.

(iii) Use of Facilities

Rent and contributions received related to the use of the Church's facilities are recognized as revenue of the operating fund. Rental revenue is recognized in the period to which it relates. Other such contributions are recognized when received.

(iv) Investment Income

Investment income is recognized as revenue as it is earned in the fund to which it relates.

c) Marketable Securities

Marketable securities are recorded at fair market value.

d) Capital Assets

The Church follows the policy of recording capital assets as expenses in the year they are acquired.

e) Contributed Services

Volunteers contribute their time to assist the Church in carrying out its service delivery activities. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2019

1. Summary of significant accounting policies (continued)

f) Financial Instruments

The Church initially measures its financial assets and financial liabilities at fair value. The Church subsequently measures all its financial assets and financial liabilities at amortized cost except for marketable securities quoted in an active market (mutual funds), which it measures at fair value. Changes in fair value are recognized in the statement of operations. Financial assets measured at amortized cost include cash and cash equivalents, amounts due from other funds and other assets. Financial liabilities measured at amortized cost include accounts payable and amounts owing to other funds.

g) Cash and Cash Equivalents

The Church's policy is to present bank balances and term deposits with a maturity period of three months or less from the date of acquisition as cash and cash equivalents.

h) Pension Plan

The Church participates in a multi-employer pension and group plan administered by the Incorporated Synod of the Diocese of Toronto. The participation in the multi-employer plan is accounted for following the standards of defined contribution plans.

i) Use of Estimates

In preparing the Church's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses. These estimates are periodically reviewed and, accordingly, adjustments made to these estimates are taken into operations in the year in which it is determined. These estimates are subject to measurement uncertainty, and actual results could differ from those estimates. Estimates are used when accounting for certain items such as accounts payable accruals.

2. Deferred revenue

Deferred revenue represents a Family Ministries grant received from the Diocese of Toronto.

Changes in the deferred revenue during the year are as follows:

	<u>2019</u>	<u>2018</u>
Beginning balance	\$ 47,250	\$ -
Add: Amount received in the year	46,880	47,250
Less: Amount expensed in the year	33,000	-
	<u>\$ 61,130</u>	<u>\$ 47,250</u>
