- I understand that ministry is a privilege, not a right, and that my desire to serve must, at all times, be affirmed by the church/organization through its screening process.
- I understand that an appointment to a high-risk ministry position requires that I provide three references and acquire a Police Records Check as part of the screening process. This PRC is to be conducted via XpressCheck, as is the standard across the Diocese, at my own expense.
- I understand that in accepting a volunteer ministry position, I am committing myself to act in compliance with the beliefs, values, policies, and processes of this church/organization.
- I have received a copy of the volunteer ministry description and guidelines for the position and understand the responsibilities associated with it. I am aware of the policies that affect this ministry.
- I understand that training and accountability are key support for my position. Therefore, I will attend training, as required by the position, and meet regularly with the leader responsible for the ministry to which I am being appointed.
- I know that the parish will maintain a file on persons filling medium and high-risk positions in compliance with the *Responsible Ministry: Screening in Faith Policy*. This information is private and will be kept in a secure location. Upon request, I shall be given access to that information and be able to challenge the accuracy and completeness of the information and have it amended as appropriate.
